MEMORANDUM FOR : 25X1A [REDACTED] Historical Officer,  
Office of Personnel

SUBJECT : OP-13, Missing in Action -- People and  
Policies, 1948-73

25X1A

1. The subject history has been edited, retyped, and approved for publication by the CIA History Staff. [REDACTED] the author, also had an opportunity to edit the final copy prior to retyping. The final copy is being returned to you for proof reading and for Mr. Janney's signature on the title page of both Volume I and Volume II.

25X1A

2. If Mr. Janney approves the report, it should then be returned to me, Room 203 Key Building. Following final corrections, we will reproduce, cover, bind, and disseminate the history.

3. Retention copies of the history will be prepared for the Directorate of Administration, the History Staff, and the Office of Personnel. If the Office of Personnel so requests, we will also prepare a copy for East Asia Division.

4. This history concludes OP's commitment to the "catching up" phase of the Agency program which got into high gear late in 1969. I have enjoyed the opportunity of working with the many individual authors in OP, and I want to thank you for your help over the years in prodding some of the more reluctant contributors to more serious effort.
